Limited Warranty

Koshin Hidels Pump is warranty against defects in material and workmanship, manufacturing faults for first twelve(12) months or 500 operating hours (whichever is shorter) beginning on the date of purchase of this pump.

The limited warranty extends only to the original purchaser of the Pump and is not transferable to any subsequent buyer.

Upon request from Koshin Limited or its authorized agent / dealer, the purchaser must show valid warranty card to prove the date of purchase. Information required on warranty card must be clearly printed and completed and any tampering will void the warranty coverage. Serial numbers on Hidels pump must not be removed, defaced or altered.

This warranty does not include transport, delivery or handling charges incurred in the transportation to affect any repair.

This limited warranty is invalid on the following conditions:

1. Any part or parts therein is or are altered, adjusted, dismantled, modified, tampered in anyway whatsoever by any person or persons other than those authorized by Koshin.
2. This warranty does not cover any wear-and-tear parts of the pump such as mechanical seal, etc, and parts of engine as listed in engine manufacturer warranty exclusions.
3. The Pump is damaged by accident, force majeure, lightning, fire or mishandling and failure to follow enclosed instructions or specified applications.

All warranty information, product features and specifications are subject to change without notice.
